Do you know the easiest way to get rid of a dragon? You just dip a nice piece of meat in a barrel full of poison and feed it to that dragon. Of course it's not the most heroic method, but it's very safe and effective. Another option is to offer a bounty on the dragon scales. After that the only thing you have to do is wait while the army of heroes, wizards and freaks lead a monster to its end. It is always necessary to find a solution to the dragon problem because all members of this scale-winged breed have the same disease. Is it a strong allergy to humans and their settlements and all dragons use the only medicine against this disease? complete extermination of people.
